News From The Editor's Desk

by - Clarence Marshall

Arthur L. Ayres, Sr., Q-10 44 Center Grove Road, Randolph, New Jersey 07869 — D-273rd: It has been 40 years ago that I became a part of you. When I was discharged from the Service, I always wanted to go to a Reunion of the 69th, but never got there. This year I am making it a "must" to be in Florida in October. So all of you who served in the 3rd Squad of D-Company, let me see you there.

I am 58 years old now and don't know how many more I got. I will be looking for the following in attendance: Henry Kaminski, Sgt. Charles Ensminger, Lt. Robert McCarty, Lewis Tenny, Cpl. Ken Sawyer, Richard King, Sgt. Cross, Michael O'Malia, Thomas Black, Hendrickson, Wayne Kruper, and Charles Pinelli. I remember you all every time I read the Bulletin.

I am going to be at this Reunion unless the Lord up above stops me. God Bless You All.

Langdon H. Tannehill, 13272 Sixth Street, Chino, California 91710 — C-272nd: I was in C-Company 272nd Infantry in Mississippi and Europe, and I would like to have my name added to the Association Roster.

Recently, I visited with Lt. Bert Lewis and Capt. Jim Carter who were both in C-Company 272nd.

Do you have an address for Morris Assael who was also in that Company?

(Editor's Note: Mr. Tannehill was furnished the address for former Lt. Morris Assael).

Julius G. Tivald, Kresson-Gibbsboro Road, Marlton, New Jersey 08053 — 569th Sig.: I was surprised and very pleased to receive a copy of the Association Bulletin.

As a former member of the 569th Signal Company, I recognized the names of other members mentioned in the Bulletin. I served in the Radio Section at Camp Shelby, Mississippi, and over in Europe until we met the Russians at Torgau. I was with the Radio Relay Station at Eilenberg during the official meeting. I was reassigned to Gen. Eisenhower's Headquarters (USFET) in Frankfurt in August 1945 to the Staff Message Control Section.

I am interested in the new 69th Division History Book. I do have an old original Pictorial History Book circa 1950 of the 69th Division that Gen. Reinhardt was instrumental in publishing.

(Editor's Note: Mr. Tivald was advised that there is no new 69th Division History Book that we know of. Only the one published right after the War was over).

John W. Wilson, 752 Storch Road, State College, Pennsylvania 16801 — 569th Sig.: Please send me information on joining and paying dues for the 69th Infantry Division Association. I received a copy of the Bulletin, Volume 37 No. 1. I think one of my former buddies sent you my name and address.

I was a member of the 569th Signal Company from May 1943 until the split up of low and high point men in Europe. I was transferred to the 29th Division.

Jack Jones, 217 Dabney Street, Orange, Virginia 22960 — A-271st: Sorry for taking so long to answer your letter. Now that I have retired for the second time, I hope to have more time to do some of the things that I have been putting off for so long.

I saw the notice in the Bulletin about S/Sgt. Henry Mitchell of A-Company, and I am glad to report that I have been to see him at the Nursing Home. He seemed glad to see someone from the 69th. He has had a stroke and is confined to a wheelchair but he is very alert. I plan to see him again when I get down that way.

I took him photos that I had of men from A-Company, and he remembered some of the Officers and men. We had a few laughs about some of the antics of Jim Parks and some others he remembered. He never had a copy of our History Book so please send him one.

I don't think I will make the Reunion in Florida this year, but if I am still around in 1985, I'll make it if I have to crawl there.

I will be 73 in October and the grim reaper is slowly catching up to me. Margaret and I feel fine though, and we just live day to day taking it easy.

Have not seen or heard from Sam Popkins lately, but will try to get up to see him when the weather warms up.

One more thought before I close. I think you are doing a fantastic job with the Bulletin, and I really look forward to it when it comes out. Keep up the good work! I think you have done a fine job with the Roster too.

I remember the first Reunion I went to in Princeton, and we had about 450 names on the Roster. How you have built it up is amazing.

Best of luck to you and hope to see you soon.

John H. Kastanakis, 7304 Martha Drive S.E., Huntsville, Alabama 35802 — 569th Sig.: Please add the following former 69'er to your Roster and include him in all future mailings. Charles M. Mitchell, 407 Four Mile Post Road S.E., Huntsville, Alabama 35802. He served in the 269th Engineers.

The 69th Bulletin gets better and better. I really enjoy it and you should be commended for the excellent job you do.

Chuck Mitchell and Bill Stripling (569th Sig.) live within a half mile of me.

William J. Cronin, 819 Kelly Drive, Hinesville, Georgia — D-273rd React. 69th: I was looking through an old copy of The Purple Heart Magazine and I saw your name under Unit Reunions for the 69th Division.

I was a member of the 273rd Infantry Regiment in 1954 when the Division was re-activated at Fort Dix, New Jersey. I was Platoon Sgt. for the 2nd Platoon in D-Company and spent about seven months in that Unit. I was reassigned to the First Infantry Division in Germany.

I would like to obtain a Regimental Crest for the 273rd Infantry. I have built a book case in which I can display the Unit Patches and crests of all the Units that I was assigned to during my thirty years of service. I would appreciate any assistance that you can give me.

(Editor's Note: Mr. Cronin was advised that we have no knowledge where he can obtain a 273rd crest).

John McCann, 39 Mayflower Road, Woburn, Massachusetts 01801 — C-777th: Now that I am home recuperating after a month in the hospital, I have time to write to some of the men from my outfit.

If you could send me the addresses of the men that you have from C-777th Tank Battalion, I would appreciate it very much.

I wrote to Marcel Sedano and received a very nice letter back from him followed by four more. Then a couple of weeks ago I got a letter with some pictures in it from Guy Ungaro. I will be looking forward to meeting you in Orlando as I have already made my reservation.

NEWS FROM THE EDITOR'S DESK

(Continued from Page 2)

James C. Little, 3436 Mell Place, Clarkston, Georgia 30021 — Ser. 879th: Many thanks for sending the 69th Bulletin to me. I sure do enjoy having it, and hope to be on the mailing list for future editions.

I joined the 69th in May of 1943 as a member of Service Battery 879th Field Artillery. I was with it till we disbanded, and then I spent three months of occupation with the 29th Division.

Looking forward to the Reunion in October. I plan and sure hope to be there. This will be my first Reunion, but I hope many more will follow.

Robert C. Fjellman, 1316 4th Street S.E., Minneapolis, Minnesota 55414 — A-461st AAA Bn.: A copy of your Bulletin was recently passed on to me, and I would like to join the Fighting 69th Infantry Division Association. The 69th was the spearhead Division from Belgium to the Elbe, and a very classy outfit. From Normandy to the Battle of the Bulge was one thing, and from then on it was something else, led by the 69th.

I don't think I will be able to attend the Reunion in Orlando.

Robert C. Matthews, P.O. Box 97, Lackey, Virginia 23694 — K-271st: I would like to thank you for all of the letters that you have written me. I am well as can be expected at the present time. Sorry to hear of your troubles, but we must remember that a lot of our friends never made it back.

I do have a couple of pictures of men from the Black Platoon which I will have to look for. Wilfred Strange should have some, as he took some and gave me mine in 1945.

I noticed that you had a picture of Capt. Pickett in your Bulletin, and I would like to have his address.

Robert Pulliam, Box 5, Jackson, Wyoming 83001 — Div. Hq.: I would like a copy of the 69th Division History Book. I saw your picture in the last Bulletin, and I'm sorry Old Buddy, that if I had met you on the street, I wouldn't have known you. Same from you to me, I assume.

When you see Adam Manz again, give him my regards. He is, and was a great fellow.

Gordon K. Kjos, 2222 Langsdorf Avenue, Red Wing, Minnesota 55066 — Div. Hq.: Enclosed is a copy of a letter that I have mailed out to some of the members of the Finance Section of the 69th Division.

Can you help me on the address for Harold Patton. I mailed a letter to him, but it was returned marked "Unknown."

I am retired now so I have some time on my hands to move on some things like this. It would be nice if we would be able to get a few of the fellows from the Finance Section together in Orlando next October. I hope to see you in Orlando.

Lynn G. Blaylock, U.S. Peace Corp., P.O. Box 696-C, Bridgetown, Barbados, West Indies: Sorry that my address hasn't been kept straight. We had our mail forwarded from Bloomington to St. Paul for a while when we sold our house, but didn't have a Peace Corp address yet.

I have not received Bulletin Vol. 37 No.1 yet, but unless it is sent Air Mail, it takes two to four months to get here.

Both my wife and I are enjoying our stay here. I am working in the area of animal nutrition which is the field I hold a Ph. Degree in. My wife is working as a librarian, the field in which she holds an M.S. Degree. We feel we are fortunate to be able to use our experience here.

Bert A. Lewis, 23791 Fairgreens East, Laguna Niguel, California 92677 — C-272nd: Major Christol, who was on the Staff of the 272nd and then moved to Division Headquarters, and who has been on the faculty of USC for many years, tells me that you have been active in the 69th Division organization and might be able to help me with the following information.

I would like to have the present address of Capt. James T. Carter, Company C-272nd Regiment, who was wounded in action near Klein-Almerode, Germany on April 7, 1945. I wrote the Army and they said they could not give me this information unless I gave them a Social Security number or Service number, which I did not have. I was Capt. Carter's Executive Officer and would very much like to get in touch with him. He was from a National Guard Unit in Indiana and always called himself a farm boy. He fought in the Golden Gloves as a heavyweight and may have been a champion. He told me that his wife was a telephone operator in Biloxi, Mississippi, but when I inquired at that office in 1958, no one there remembered her.

(Editor's Note: Mr. Lewis was provided Capt. Carter's address and sent along the following communication).

Thanks for your prompt and most helpful response. I have fired off a long letter to Capt. Carter and am looking forward to his reply. I was very pleased that your update on him was as recent as 1982.

Thanks also for the copy of the News Bulletin, but I must be getting old. I went through the entire issue and could not find a name that I remembered although I am sure there were several in it that I should.

Please add me to the Roster and let me know about the dues. I doubt I will be very active and I appreciate people like you and the others who perform the services that you do. You will never know how important it was for me to get that address.

(Editor's Note: I have learned that former Lts. Lewis and Tannehill and Capt. Carter got together for a mini-reunion and are interested in getting in contact with former Lt. Morris Assael, another member of their staff in Co. C-272nd.

Raymond L. Fitzgerald, R. #1, Sheffield, Alabama 35660 — L-271st: Today I received a copy of the Fighting 69th Bulletin, I was really surprised and had no idea that such a thing existed. I am grateful to someone somewhere for turning in my name and address.

I am very much interested in joining the Association and having my name added to the mailing list. I am also interested in the Orlando Reunion.

Larry Kolarik, 4665 B Finchwood Terrace, Boynton Beach, Florida 33436 — F-273rd: I have been a member of the 69th Infantry Division Association since it was chartered on Governor's Island, and was a charter member and later President of the New York Chapter for two years. I am proud of the growth of our Association over the years.

I am writing to try and get some information for a friend of mine in our village. I talked with him about our great Association, and he stated that he had lost track of the outfit that he was with after he was wounded in December of 1944.

He was with the 171st Combat Engineer Battalion, (unattached to any Division). They were also in action in the E.T.O. Are there any Army Departments that he can write to and get information about his outfit and possibly find out if they do have an Association? Also, is there any way that he can get the names and addresses of some of his buddies? Also, where can he write to get medals that he has never received and which he is entitled to? I had some of this information years ago but I can not find it in my files now.

I have wonderful memories of the times we had in the New York Chapter and my buddies, my cousin Bill Matlach, Sammy Woolf, Gerard Abraham, Sherman Lawrence, and many more.

I and my wife, Elsie, and our children and four grandchildren are all well. Elsie and I live in Florida and are living a very happy life. My very best to you and yours. Stay well and enjoy.

(Editor's Note: We sent Mr. Kolarik all of the information (Continued on Page 4)

NEWS FROM THE EDITOR'S DESK

that we had available for his friend, and if any other readers can assist, please contact him or National Headquarters).

Roland Hendrickson, 4931 Lone Oak Road S.E., Salem, Oregon 97302 — D-273rd: I have found another former 69th name for your Roster. I called him this evening and he didn't know anything about the Association. Perhaps you can send him a Bulletin and get him for a member.

He is Dewey Holcomb, Rt. 3, Box 1000, Hoquiam, Washington 98550. He also served in D-273rd. He seemed quite interested in the Association and Reunion.

Jay S. Rollman, P.O. Box 359, Monterey Park, California 91754 — Hq. 69th Divarty: Just received the latest issue of the Bulletin and have enjoyed looking it over.

I find one slight error on page 24 where it lists me as attending the latest Reunion as a member of the 569th Signal Co. I was never a member of the 569th Signal Co. and I should have been listed with the 69th Division Artillery. I was a member of this Unit since the organization of the Division and remained a member throughout the entire European campaign. I have nothing against the 569th Signal as I was very friendly with the Company Commander while we were in the states and overseas. Capt. Creel passed away several years ago and he and I were good friends for a long time during the War and after.

Just wanted to set the records straight. See you in Orlando.

Jack Hubbard, 4300 S. Semoran Suite 588, Box 14500, Orlando, Florida 32857 — A-273rd: I am passing along my new mailing address. I will be out of town for a while on vacation, and I am using this address for the additional correspondence that I expect regarding the 1984 Reunion.

I have already received mail from Charles Otto and James Little. Mr. Little I met at a C.C.C. Reunion at Pine Mountain, Georgia. We were both on the U.S. LeJune going overseas. He had never heard about the 69th Division Association.

(Editor's Note: Mr. Otto is already on our Association Roster and Mr. Little was added).

Robert F. Davenport, 861 Grove Street, Stroudsburg, Pennsylvania 18360 — A-881st: Several months ago, I directed a letter to you looking for former members of Battery A-881st Field Artillery. It was a most pleasant surprise to receive a six page letter from John Suprano. The letter was most informative and brought back many memories.

For some reason, I did not receive my copy of the Bulletin in which my previous letter appeared. Would you please send me a copy. I will not be able to make the Reunion this year, but look forward to 1985 and Pittsburgh in 1986.

GOLFERS — SPECIAL ATTRACTION

Forgive us for not having information concerning the GOLF TOURNAMENT in the last issue of the Bulletin. There will most certainly be a Golf Tournament at this Reunion for MEN AND WOMEN. So ladies bring your clubs. Details for the Golf Tournament were not complete enough to publish in the last Bulletin. They are now.

As in the past, CHALMER PEARSON will handle the Tournament and will be assisted by Joe Wright. Prizes will be furnished for the various winners — and losers. Play will be on the Cypress Creek Country Club Course about five minutes from the Holiday Inn. This is a 7000 yard championship course, famous for hosting tournaments such as the LPGA Orlando Classic, Bay Hill Classic, etc. The Tournament will be FRIDAY, OCTOBER 12, 1984. The cost will be about \$15.00 per person, and will include 18 holes of golf and cart. Transportation to the Golf Course will be furnished.

LEAVE HOTEL - 8:00 A.M.

STARTING TIME - 8:30 A.M.

Send your reservation for the Golf Tournament to Al Faison, Reunion Co-Chairman, as he has to make reservations with the club thirty days in advance. DO NOT send money for the Golf Tournament at this time, Payment will be made the day of the Tournament to CHALMER PEARSON, or at the Club.

ADDITIONAL NOTE: The Pro Shop at Cypress Creek has fifteen sets of rental clubs available.

Program for 1984 Holiday Inn, 37th Annual Reunion Orlando, Florida 661st Tank Destroyer Battalion — 777th Tank Battalion

THE SOUTHEASTERN CHAPTER OF BBB's WELCOMES ALL MEMBERS OF THE FIGHTING 69th INFANTRY DIVISION ASSOCIATION AND IT'S SUPPORT UNITS, TO THE "SUNSHINE STATE" OCTOBER 7th TO 14th, 1984.

SPECIAL NOTE: It is anticipated that this will be one of the best attended Reunions in many years, and for good reasons. There are so many things to do and see in the Orlando area that it is impossible to cover all the areas of interest in one week. We urge you to plan your trip so that you can come early and stay late. The Holiday Inn has given us the Reunion Rates (\$48.00 - \$96.00 for a suite) for three days prior to the Reunion and three days after. We have 400 rooms reserved for us until September 7th, 1984, but the Inn has over 600 rooms. So we urgently request that you make your Hotel Reservations just as soon as you get this Bulletin so that you are assured of staying in The Reunion Hotel. Note that we have not scheduled any events or tours before Wednesday, October 10th. We did this purposely. We want to encourage all of you to come down much earlier to take in Disney World, Epcot, Sea World, Walt Disney Village, etc., ON YOUR OWN. You can drive to any of these from the hotel in just a few minutes, and if you don't want to drive, buses leave the hotel for these places every hour. You can see these attractions on your own cheaper than we can schedule Tours and during hours that suit you best. You cannot see all of Disney World or Epcot in one day. As of this writing daily admission to either Epcot or Disney World is \$15.00. Individuals can purchase a three-day pass for \$35.00, a four-day pass for \$45.00, or a six-day pass for \$60.00. These are good for both attractions. Disney does not grant group rates to anyone. Sea World, just minutes from the Holiday Inn, is another all day jaunt in order to see everything they have to offer. There are many other less well known and publicized areas of interest. Those already mentioned plus The Kennedy Space Center, Silver Springs, Cypress Gardens, and in the pure entertainment field, the famous Rosie O'Grady's, are recognized world-wide as must-see attractions for any visitor to central Florida, For those of you retired, or thinking about retirement, don't overlook this chance to visit some of the many possibilities for comfortable and pleasant living. Another point of interest; Florida has no State Income Tax or tax on personal property, Real Property (Real Estate) is taxed at fair market value, and we have a five percent Sales Tax, but not on food or medicines.

Guess really I haven't much to say for this Bulletin. I hope to see all you members and families in Orlando, Florida, at the Holiday Inn this coming October. We plan to be there for the week from October 7-14, Sunday to Sunday. Might just say Monday as it will be late Sunday when we arrive. Information on the Orlando Reunion can be found on other pages in this Bulletin. If you haven't reserved your room, do so immediately as we are getting close to that time again. At the same time, write Al on your Activities which you plan to do for the week. You don't want to miss any of the activities, especially the Early Bird and Banquet with its beautiful Memorial Service just before the evening begins.

Our new Dues Year begins August 1, 1984, for another year and please members, only pay once. If you pay twice, your not watching your own records and I'm tired of receiving the nasty letters. We send two notices a year automatically which has been carried on now these many years of our association. For those who can, we appreciate the Contributory Dues, as the Regular Membership Dues do not begin to pay our expenses in these times of inflation. Thanks to those who pay extra towards the Postage Fund.

Hopefully our next Bulletin will have information in it concerning our 1985 Reunion.

If you are looking for up to date addresses, I suggest you write Clarence Marshall, our Membership Chairman. I don't know who all is on our Roster but he does. I am sure he can answer you a lot faster than I can.

Another three editions are now finished for the year 1983-1984. We hope we will be able to publish another three issues of the Bulletin in the new dues year — 1984-1985. I am sure we will never put out another Bulletin as large as the last one — 44 pages. The cost all the way around was too great for our organization. From here on out, we must stay under 40 pages but we do hope all Bulletins are newsy. Any suggestions will be considered by Clarence and myself.

Have a good summer, what is left of it, and do come to a Reunion soon. I am sure you'll enjoy them, even if you only sit in the Hospitality Room or registration area. Florida is looking for us this year.

It's all over for another year. Scholarship award winners were selected at the Annual Scholarship Meeting on Sunday, June 3, 1984, at the Nassau Inn, Princeton, New Jersey. The meeting took place in the University Colonial Room, Princeton University, at 12 noon.

Names of the award winners will be announced at the General Men's Meeting on Saturday, October 13th. By then, most of the students will have been in college for a couple of months.

It's time now for those who have children in their senior year of high school to apply for an application in order to be an award winner next year when the Reunion will be in Williamsburg, Virginia. Mail letters to Sammy at the above address.

Overseas Flower Fund American Battle Monuments Commission

Every year on April 25th, flowers are placed on the graves of the 69'ers who are buried on foreign soil.

We have 145 men buried in American Military Cemeteries overseas. 53 are at HENRI-CHAPELLE which is located at Aubel, Belgium, and 92 at NETHERLANDS AMERICAN CEMETERY which is located at Margraten, The Netherlands.

Each year we receive 10 color polaroid photographs showing the grave sites and flower placement. The flowers are put on each April 25th because that was the day of the "Link-Up" with the Russians, so it is a special day just for the 69th Division members.

If anyone would desire a photo of a certain grave site, write and let me know and I will gladly write to the A.B.M.C. and request same.

Sincerely, Frank C. Nemeth

William Spurrier Writes To Earl Witzleb . . .

Dear Mr. Witzleb:

My reasons for writing are two-fold, first to congratulate the 69th Infantry Division on it's excellent paper published by the organization. I have never read a finer paper (Bulletin) than what this is. I have belonged to the 69th Association as an Associate Member for several years now. I first learned of it from a former Army Buddy who served with me in the 98th Infantry Division (323 Medics) and left us in Fort Rucker, Alabama, due to his being hospitalized just prior to our going overseas in April of 1944. His name is Eddie Dykman of Nutley, New Jersey. He was sent to your division medics upon his release from the hospital in Ft. Rucker. We have kept up a correspondence over the years and he has visited me out here in the great state of Iowa which is my home area, born and raised here in the small town of Marengo in eastern Iowa.

I began my career with the 98th with the 323 Medical Battalion and was transferred to the 391st Infantry later on, and spent all of my time with them with the exception of three months with the 96th Infantry Division on Okinawa, then back to the 98th.

Now for my second reason and that is I had a country school classmate by the name of Leonard Jacobs, who was with the 69th in Europe, and was seriously wounded somewhere in Germany and as a result he lost the lower part of a leg. He was with Company-B 273rd Infantry, and I am wondering or trying to locate anyone who may have been acquainted with him and any information as to just where he was when wounded. Leonard was from my hometown of Marengo, Iowa, and he passed away about five years ago. He had suffered and experienced several personal problems over the years. (Who of us hasn't?) He had a daughter who worked for me when I was Sheriff of my home county (Iowa County, Iowa) and I have told her I would try to get some information for her on how her father was wounded, etc. Perhaps you may know someone from Company-B that might have some of this information. I don't know how long he was with you fellows, but he once told me that he was sent to the 69th as a replacement.

I have retired from the office of sheriff after serving in the office for thiry-two years. This was four years ago and have worked for the Marriott Hotel Corp., ever since in their Loss Prevention Division.

Mr. Witzleb, I want to thank you for taking the time to read this letter and will certainly appreciate any information that you may be able to obtain.

Just keep up the great work on your Bulletin and best wishes for a successful Reunion this year.

> Very truly yours, William J. Spurrier

(Editor's Note: Anyone from B-273rd able to help Mr. Spurrier please write him at 3323 Ingersoll, Apt. 303, Des Moines, Iowa 50312, or contact National Headquarters).

Col. Richard A. Foy Writes . . .

I have been reading about Vice President William R. Beswick's return to Torgau, East Germany, while in attendance at Brother Joe Polowsky's burial. I was pleased to learn that Central Hotel in Torgau is still operating. While I was Weapons Platoon Leader, C-Co., 272 Infantry, I spent about a week with my platoon on security duty in the city park just outside the Central Hotel, and along the route to the Elbe River crossing.

A squad of Russian Mongol Cavalry Troops were occupying the hotel, and they stole it down to the bare walls. They demolished everything that they didn't steal, and they set the kitchen on fire during a drunken celebration. I believe the party also involved some "69th Troopers." The Russians rode their horses into the lobby and lounge area. They were a savage group of barbarians, unwashed, smelly and devoted to killing Nazi's.

These same barbarians killed the father of the police chief, by cutting his throat, while standing around drinking vodka and playing the concertinas and accordians that they carried on their wagons. A young Russian officer executed one of the Mongolian soldiers right on the sidewalk in Torgau. The old Mongol was insolent and discourteous when he was ordered to return to the East side of the Elbe River; so the Rusky officer shot him in the ear with his cavalry revolver. About two nights later, some of our troopers killed two Russians that were attempting to break into their quarters. They took the bodies to the Elbe and floated them back to their side. Incidentally, the executed Mongolian and two other soldiers had been robbing graves before the Russian officer carried out the "Execution." The Russian female soldiers in Torgau were all pleasant, happy and respectable types, but they also were in need of a good bath.

(Continued on Page 13)

COL. RICHARD A. FOY WRITES

(Continued from Page 12)

I am now on retired pay having completed over forty years total enlisted and officer service time. I am assigned on Mobilization Orders to Fort Dix, New Jersey, and I have requested assignment to "The Fighting 69th" if it is again mobilized. This past February, I was honored to be inducted into the United States Army Infantry OCS Hall of Fame at Fort Benning, Georgia. It was the most proud moment of my whole lifetime in the army. My Certificate of Honor was presented by MG James Larsen, Commander of The Infantry School at Fort Benning.

Probably will get to the Reunion in 1985 at Atlantic City, New Jersey. It is only 90 miles from Doylestown, Pennsylvania. A new rail line from Philadelphia to Atlantic City, high speed service type, will be running by that time. My blessings to all my old comrades in-arms.

President Says — It's Reunion Time

George W. Gallagher, President 147 El Torro Street Spanish Trails Zephyrhills, Florida 34248 813/788-5924

Greetings to All Members of "The Fighting 69th" and Wives:

I hope that all of you have your reservations in by now for the 1984 Reunion. Al Faison and Jack Hubbard are expecting a large turn out and they have everything ready—So please don't disappoint them.

Vickie and I were pleased when Ted and Rosemarie Edstrom stopped and paid a visit for a few hours. Also Bob and Vivian Kurtzman stopped. It's always a pleasure to see them. We spent an evening with George Hepp and his lovely wife when they were here in the Southland.

On May 5, 1984, we attended a surprise party for Ray and Alice Wolthoff in honor of their 25th Wedding Anniversary. Our best wishes to them from the "Fighting 69th."

Vickie and I received an invitation from the Victor Woo family to attend his surprise Birthday and Retirement Party. It was held June 2, 1984. We are sorry we were unable to attend. I am sure that each and every 69'er who knows and loves Victor, wish him a long and happy retirement.

There has been a change in the 1985 Reunion location. It will be held in Williamsburg, Virginia, from August 19 to August 25, 1985. All questions about the change will be answered at the Membership Meeting to be held in Orlando, Florida.

Vickie and I are leaving for the North in June. We are planning to attend the Tri-State Reunion in Bedford, Pennsylvania, on our way up North.

We will see you at the Reunion in Orlando, Florida, so have a real nice summer.

God Bless You All, George W. Gallagher, President

BOARD OF DIRECTOR'S MEETING WEDNESDAY, OCTOBER 10, 1984, 7:30 P.M.

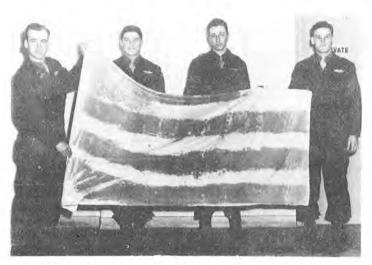

Paul Staub Writes . . .

The following pictures were furnished by Paul Staub. He writes that he was unaware that our Association knew so little about the entlisted men who were with Lt. Robertson in the Link-up Patrol.

The men have not kept in contact with each other over the years.

The other Patrol led by Lt. Kotzebue consisted of about twenty-six enlisted men, and they contacted the Russians in a place called Leckwitz, Germany.

I will not be able to attend the Reunion in Florida this year, but keep promising myself that I will make one of them very soon. It would be wonderful to see some of my old friends again.

CORRECTIONS

In the last issue of our Bulletin Vol. 37 No. 2, Col. Jay S. Rollman was listed under the 569th Signal Company in the attendance list for the 1983 Arizona Reunion. His correct Unit listing should have been under Hqs. 69th Division Artillery.

Also under the same attendance listing Frank Patterson, 8030 N. 32nd Avenue, Phoenix, Arizona 85021, was inadvertently omitted under A-Battery of the 724th Field Artillery.

Bedford is over so now our thoughts are turned toward the Florida Reunion and the week long activities that go with a 69th gathering such as the one coming in October.

Our Division Association President George Gallagher and his wife, Vickie, who are members of the Tri-State look forward to seeing "The Family" in Florida. Let's everyone make an effort to be there and we say not only Tri-Staters', but all members of the 69th Infantry Division Association. This should be first priority on anyone's list, as you not only meet once again your friends, but pick up a lot more new ones — Division wise.

William A. Muller, Jr., has been in the hospital for treatment and back home now. He isn't up to par but we know a card or note would help a lot. Bill was with both C and B-724th Field Artillery while in the service. His address is 510 McLaws Street, Savannah, Georgia 31405. If you wish to give Bill a call his telephone number is 912/354-5754.

Looking forward for the Orlando, Florida Reunion. Hope to see all our 724th Field Artillery members as well as all those in the 69th attached Units of the 661st Tank Destroyers and 777th Tank Battalion.

(Editor's Note: We do have some members from the 461st AAA as members and hope to see new faces from their Unit. Guess we must consider them as attached Unit also as this is what they were. I believe they joined us in Germany).

269th Engineers

Ted (Stefania) and Frank Nemeth

Frank and Ted Nemeth, Representative 66 Gaping Roack Road Levittown, Pennsylvania 19057 Telephone: 215/945-3809

Just received my latest Bulletin and was so pleased to see so many Engineers and friends that have signed up for the Orlando Reunion already. I counted twelve and that's without Milt and Esta Halainen, our adopted Engineers for many years. Then I also read where Jennings, Winfrey, Vincent and Ferguson from Company-A are coming and I can think of at least five more who said they would be there, so counting "Late Comers" we should have a record turnout. Make sure to get your reservations in early, as soon as possible, rooms might be real scarce at REUNION TIME. The price is right, believe me!!

So sorry that I missed getting into the last Bulletin, but those deadlines sneak up on you. I'll try and give you a little run-down on Tri-State Reunion at New Philadelphia, Ohio. They had a large turnout from the Tri-State Group and everything went so well. Really enjoyed the tours and the delicious meals. It was nice to see Bill Clayton and his wife, Freda, from H&S Company. It was their "First Reunion" and even though they had to leave early due to other commitments, they had a lovely time and plan to try to make Orlando in October. Another "First Timer" was Ward "Pete" Peterson and his wife, Marian. They made all the tours and had a very nice time. Pete was the Lieutenant of the Third Platoon in Company-B, and I'm sure he'll be glad to see George Allen again, who now lives in Florida and plans to attend the Reunion also. We had about ten Engineers and their wives in attendance so it was a nice turnout. It was good to see Jim and Dotty Eibling, Bill and Betty Foster, John and Liz Hawley, Ray and Leona Hull, Steve and Mary Sholtis, and hope they all make it to Florida, in October for the BIG Reunion. I was really surprised to meet John and Ann Mikacinich from Girard, Ohio, who worked with my father and me in the steel mill at McDonald, Ohio, over thirty years ago. I suppose if I had a 69th License Plate on my car or my 69th Cap in those days, we would have met sooner somewhere along the way, but it was nice talking over 'old times' about people we both knew in McDonald and Girard, Ohio. It really is a small world. Sorry I missed John and Flo Pszekaza at the motel. We had just gone out to supper when they drove down for a visit but we'll get together one of these days, promise, John!!

Bill and Betty Foster stopped to see Gene Huggins way down in Honey Grove, Texas, recently and guess what? He was home. Gene is a tough man to catch on his spread, believe me!! They were able to have supper together and a nice chat. Bill and Gene were shipped out together at the 1345th Engineer from the the 269th.

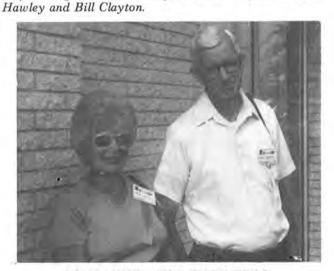

Ray and Gladys Dahill were "First Timers" at the Milwaukee, Wisconsion, Reunion. Ray was the Motor Pool Sergeant with Company-B and went all the way with the 269th. Just hope the weather breaks (ice melts) and they can get out and make it to Orlando, also, Ray and Ruth Lottie from up that way

So, the best to you all and hope to see you in October in Orlando.

Dear Fellow 661'ers:

Haven't you always wanted to visit Florida? Now you really have a good reason. Come on down to the 69th Infantry Division Reunion and have a good time with old friends,

Orlando, Florida, is a nice place to visit and the center of the hub of all the tourist attractions. Such as: Disneyworld, Sea World, Silver Springs, Cypress Gardens — just to name a few.

I am sure that you will not go home disappointed. Call or write a friend and have him meet you there so you can enjoy it together.

We have quite a few former 661'ers living in Florida now, let's hope they come to Orlando and show the rest of us around.

How about it? Won't we see you there?

Bill Beswick

* * * * *

We had a great time in York, Pennsylvania, at the 661st Tank Destroyer Battalion Get-Together.

We did not have a set format, everyone went on their own to various places of their own interest, for example to the Amish Country, the clock Museum in Columbia, Velley Forge, Gettysburg and about all the Factory Outlets.

The Hospitality Room was kept pretty well occupied with visiting and remembrances until the late hours of the morning. There was lots to be caught up on by some of the "First Timers", such as John and Esther Roth, Ken Sherwood and his delightful wife, and Louis Cotoio. I sure hope they all enjoyed their 'first time' and will return again,

Frances O'Roark came with Bill and Ellen Snidow. It looked like she enjoyed herself, at least we all hope she did.

"Doc" and Sally Woolley came from Pebble Beach, California, and toured Valley Forge among other places — they enjoyed it. Bill and Kathy King arranged their trip from Florida by way of Texas to visit their son and his family on their return to Rhode Island, and spent time with us, also a very nice couple — Earnest and Lois Yeary returned again after an absence of several years — nice to have them.

Mel and Ruth Mellinger made some nice arrangements at York with the Motel and dinner Saturday night. Thanks to Stan and Gertrude Green, and Ruth and Mel for the snacks in the Hospitality Room.

I must not forget that Earl and Dottie Witzleb came and visited with us for the weekend. Always nice to have them.

Harold and Dottie Starry came and visited with us Saturday. We enjoyed their visit also.

We hope that everyone enjoyed themselves and we look forward to seeing you next year. Also how about joining with us in Orlando, Florida? "It should be a real Bang-Up — Good-Time!"

Interested In European Trip?

Tour of France, Belgium, Germany, and the Margraten and Henri Chappelle Cemeteries.

I have been checking on a Tour of a part of Europe, I had talked to some of the people and they were interested in France, Belgium, Germany and the Cemeteries where our friends are buried.

The Tour is along the lines that some of us took in the 69th's travels.

We got together and selected a path and presented it to American Express. We will go into Paris for three days, then to the Cemeteries, through several towns and take the Rhine River Cruise, pick the bus up after the cruise and continue on our journey. Arriving finally in Torgau, Germany, on April 25th, which will be the 40th Anniversary of our meeting with the Russians on the Elbe River in 1945. Then to Berlin for a couple of days, then home.

Are you interested? If so, drop me a line now,

Bill Beswick P.O. Box 576 West Point, Virginia 23181

461st ANTI-AIRCRAFT BATTALION HISTORY

The Battalion was activated at Camp Haan (Riverside, California) on September 1, 1942. The original cadre was furnished almost entirely by the 216th Coast Artillery Regiment (Minnesota National Guard), which for many years prior had been an Infantry Regiment, and we received our full compliment of men by December 31, 1942. Because of our earlier training we were thoroughly familiar with Infantry tactics and problems.

In February of 1943, the entire Battalion moved to Camp Erwin in the Mojave Desert for ten weeks intensive training and returned to Camp Haan as hardened veterans. There the finishing touches were added and they received their overseas assignments.

As one of the first Battalions to leave Camp Haan for overseas duty, the Battalion left for the Port of Demarkation, Camp Shanks, New York, on June 12, 1943.

On July 7, 1943, the Battalion boarded the British liner Aquitania for overseas, dropping anchor at Greenock, Scotland.

We went directly to Warrington, England (near Liverpool) and were there attached to the 8th American Air Force to provide Anti-Aircraft protection to the airfields in that vicinity.

We were warmly greeted by the English people and quickly adjusted to their customs and learned to speak the English language (somewhat).

Early in December of '43 the Battalion moved to Truro in the Southwest tip of England for amphibious exercises and there Christmas day we spent hard at work.

We then moved to Somerset County where our training was intensified and our firing records were improved. On April 15, 1944, we were alerted for the coming invasion.

On D7 the Battalion landed on Omaha Beach (as part of V Corps, 1st Army). The beachhead was an inferno and our positions nearly untenable and we learned there what War was all about.

Our Battalion mission in the early going was to furnish anti-aircraft protection for the Field Artillery Battalions of V Corps. No man will ever forget those in the hedge-row country where the noise on the line and all around us was terrific and we learned that an "88" was the name of a German gun and not a can of Cola. Did we ever hit the dirt!

We finally broke through the German lines on July 24, 1944, and led by the tanks of Pattons 3rd Army we moved rapidly to and beyond Paris. The War was moving too fast to tarry in paree and we were again on the move through the old historic battlefields of World War I; Marne, Soissons, Compiegne, Sedan, etc.

When the Siegfried Line was reached, because of the bad weather of Fall and Winter setting in and because in our mad dash we had outrun our lines of supply, we dug in and it was there that they intensified their defense efforts. They increased their flying bomb activity and our Battalion was given the assignement of firing on these bombs and had such good success that we knocked one of them down in the middle of our Battalion command post. End of project!! Please excuse us Colonel.

We were also given many assignments for firing on and destroying enemy troop movements, supply dumps and other ground targets.

On December 16, 1944, the Germans opened their offensive in the Ardennes, commonly known as the "BATTLE OF THE BULGE" and our Battalion was caught right smack dab in the middle. We had a busy job on our hands and the Germans came to respect and fear our effectiveness. They soon

began to call us "Schnellfewertruppen" which translated means rapid fire troops.

It could have been a rather uncomfortable Christmas for the men but the ability and determination of the American soldier came to the front and the enemy were made to pay in full for their audacity. We kicked them back on their rear and they never showed any signs of being a "master race" again.

The capture of the Remagen bridghead spelled the beginning of the end. Soon we began picking up Russian broadcasts on our radios and the Battalion was among the first troops to link-up with the Russians at Torgau on the Elbe River in Germany. Many thousand German's swam across the river to our side to surrender rather than have the Russians capture them. It was at Torgau that we received stand down on our guns and the official word that the War in Europe was over.

I want to apologize at this point because I should have inserted in this narrative earlier that this Battalion was attached to the 69th Infantry Division to furnish anti-aircraft protection to it's Field Artillery Battalion and we enjoyed this pleasant relationship until June 23, 1945. We came to know many of the members well and are most happy for the time we shared together. The assignments for our Batteries at that time were:

A-Battery to 879th Field Artillery Battalion B-Battery to 880th Field Artillery Battalion C-Battery to 881st Field Artillery Battalion

D-Battery to 724th Field Artillery Battalion

The above is only a very brief but concise history of the 461st Anti-Aircraft Battalion but there are many reams that can be written in order to tell the full and factual story.

The Battalion went through the War with very, very little R&R time, from the beaches of Normandy to the Elbe River at the end of the War. Though we were Anti-Aircraft, in this fluid and rapid moving War we often found ourselves in towns and territories before even the Infantry had arrived and because our guns could depress to -1 degree, we served a multi purpose and we are proud of our history. We hope that one day the full story of the Battalion can be told while there are still a few of us alive to tell it.

Article furnished to us by former First Sergeant John C. English of D-Battery.

IN MARCH OF 1982, THE 69th INFANTRY DIVISION ASSOCIATION STARTED RECEIVING THE NAMES AND ADDRESSES OF MEN WHO SERVED IN THE 461st AAA BATTALION, WHICH WAS ATTACHED TO OUR DIVISION DURING COMBAT IN WORLD WAR II.

"TAPS"

There will be a great encampment
In the land of clouds today.
A mingling and a merging
Of our boys who've gone away.
Though on earth they are disbanding.
They are very close and near.
For those brave and honored heroes
Show no sorrow, shed no tears.
They have lived a life of glory.
History pins their medals high.
Listen to the thunder rolling.
They are marching in the sky!

Mr. Granecki Writes

Glad to hear efforts are being made to encourage members of the Association to write about the years following their service time.

I sent a brief letter to the Association when I submitted a list of names as potential members and may be repeating myself.

Was a member of the 69th, F Co., 272, from the time it was activated till shortly after arriving in England. Transferred to the 99th Inf. Div. along with Bill Ditolla and others whose names escape me now. Assigned to the 81 mortar squad at Krinkelt, Germany. When the battle of the Bulge was contained we were sent to Aubel, Belgium to reorganize. Promoted to S/Sgt. and squad leader for the balance of the war. Returning to combat, we continued into Germany until reaching the Rhine River where we had a short rest across the river from Dusseldorf. When the Remagen Bridge was captured we marched all night crossing the bridge that afternoon. "Mopped up" in the Rhur Pocket where thousands of Germans were taken prisoner. The division then was transferred to Patton's Army for the duration.

Following V-E Day it was a series of transfers thru Germany, France and Belgium. In between I enjoyed two furloughs to the Riviera before shipping out to the states in March, 1946.

Returned to my former job in the inspection dept. at the Doehler-Jarvis Die Casting Co. Married in June and have two wonderful children — son, James, and daughter, Janice. Like most parents I am very proud of both as they continued their education well beyond high school. Jim received his degree in Pharmacy from the University of Toledo and was Chief Pharmacist at the Homestead Air Force Base Hospital, for two years. Was discharged as a 1st Lt. and decided to enter Law School at the University of Toledo. After passing the Board Exam. he was assistant to Executive Board Director of the Ohio Board of Pharmacy. He moved to Bowling Green, Ohio where he has a law practice and is currently Asst. Prosecuter in Wood County.

My daughter also outdid herself academically. Graduated from the University of Toledo with a degree in Business Education, received her Masters from Bowling Green University and is currently completing her work on her PhD at Ohio State University. Has been teaching in a Columbus high school for 5 years.

In the early 60,s I developed a heart condition which eventually led to a disability retirement in 1968 and open heart surgery in 1978. Am a member of the VFW, American Legion, Catholic War Vets, Polish Vets and the Eagles. Also am involved in several Sr. Citizens groups and have just finished a two year term as Financial Secretary of the Local 1058, UAW Retirees Chapter.

Many times I wondered how some of the members of my platoon fared in Germany — Allen Wardin, Varn, Dunagan, Lawrence — to name a few. Met Jim Henry at a reunion in Cleveland some years ago and exchange Christmas cards and an occasional letter. Also ran into Norm Allen in South Bend at a Notre Dame football game but just long enough to shout a greeting.

Enclosed is a photo of the family with the oldest of three grandchildren.

Would like to hear from anyone from F Co. who might still remember me.

Sincerely, Henry Granecki 240 21st St. No. 1011 Toledo, Ohio 43624
